

## The Mayhew Animal Home & Humane Education Centre

Helping animals  
& their carers  
since 1886™

We have had a maintenance contract with OPL Limited for over five years now; they have and continue to offer a reliable and efficient service. The staff we deal with are always friendly and happy to help in any way possible. We recently had a new washing machine and dryer installed at the home, OPL met all of our needs and provided and installed the machines to our satisfaction. We have also purchased equipment from OPL and they supply our autodosing units and products, these are all good quality products and of a high standard. We would highly recommend OPL to any future customers.
