OPL Limited have supplied the laundry equipment on rental to our organization for several years and we are very pleased with the equipment, service and company staff. We would use them without hesitation in the future and have recommended them to others. It is nice to deal with a company that care so much and have such expertise in their field.

A handwritten signature in blue ink, which appears to read 'Gunnbjørg Areklett'.

Gunnbjørg Areklett  
General Manager  
Norwegian YWCA
