OPL Limited

Places for People have contracted with OPL to supply all of our laundries in the Chilterns Area with washing machines and dryers for the past 27years.

We have found the service that they provide to represent very good value for money, with a speedy response to any malfunctions that may occur.

The staff are very professional when dealing with service calls and neatly attired when on site.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'Yvonne Gibson'.
