To Whom It May Concern

Dear Sir / Madam,

**Re: OPL Limited**

I am pleased to confirm that I have used OPL Limited on numerous occasions to supply, install and maintain laundry equipment, including various laundry products.

I can also confirm that they offer a very good and reliable service with very competitive rates, and have a team of experienced and knowledgeable staff.

I recommend their services to you and would have no hesitation in using their services in the future.

Yours faithfully,

R. L. Webb
